

# CCMS Computational Chemistry & Materials Science Summer Institute

# 2012

LAWRENCE LIVERMORE NATIONAL LABORATORY • JUNE 4 – AUGUST 10

## *Materials for Energy*

**L**awrence Livermore National Laboratory invites applicants for the Computational Chemistry and Materials Science Summer Institute, to be held June 4 – August 10, 2012.

The Institute establishes approximately ten summer fellowships for graduate students who have demonstrated a strong interest in computational science. Students will have the opportunity to work directly with leading LLNL researchers on the development and application of cutting-edge methods in computational chemistry, materials science, and related areas. Summer research projects will be accompanied by weekly instruction by leading computational scientists from U.S. universities and national laboratories.

Participants will receive a generous stipend, plus reimbursement of travel to and from LLNL.

LLNL is located in the beautiful town of Livermore, 40 miles east of San Francisco.

### *Committee Members:*

Vasily Bulatov, Eric Draeger, Nir Goldman, Nalu Kaahaaaina, Felice Lightstone, Christian Mailhot, Amitesh Maiti, Robert Rudd, Eric Schwegler, Martin Schultz, Fred Streitz, Ming Tang, Todd Weisgraber, Dan White, Brandon Wood
